Use the time for quiet or group study

Use the time to take a pause/recharge

Can teachers/staff request to meet with students?

Students *may* receive an invite from a teacher or counselor to meet with them during this time. We strongly encourage students to use this opportunity to receive additional academic assistance or social emotional support.

What supports are available?

Each week teachers and staff will communicate their schedule and the support they are offering so students are able to make the best decision and use their time wisely.

Where are teachers/ staff located?

Each teacher or counselor has a specific location, which will be posted on the WV student splash page. Students, we encourage you to plan ahead. Ask your teacher where they are located?

Where are students allowed to go?

Once you make a decision of where to go, you are to remain in the location for the entire **30** minute period. If you are not meeting with a teacher or counselor, you may choose to head to quiet study or the designated areas.

Where are the designated areas?

See a teacher or counselor

Freshmen -- Auditorium

Sophomores -- Wood Gym

Juniors & Seniors -- Cafeteria

Quiet Study -- Room 111/113

Can students go to the LMC?

The LMC is an assigned location for teachers. Therefore, students should *only* be in the LMC if they are meeting with those specific teachers. If students are choosing quiet study or group study, they should report to the designated areas.

Are students allowed to roam?

No, students are expected to:

Arrive on time

Follow all school rules

Remain in designated area

Use their time wisely and responsibly
